1 About YukiMo! (Yukiguni Mobility)

- To promote visits to the Tunnel of Kiyotsu Gorge during the Echigo-Tsumari Art Field and to encourage visitors to the Kiyotsu Gorge Tunnel to explore the city center of Tokamachi, we will conduct trial bus operations from Echigo Yuzawa Station to Kiyotsu Gorge, and from Kiyotsu Gorge to Tokamachi Station.
- Additionally, to promote exploration of Tokamachi city center and the use of existing bus routes, we will offer a trial unlimited ride ticket (MaaS pass) that allows integrated use of both the trial bus service and existing bus routes.
- Furthermore, this project will test the sustainability of regional transportation supported by local stakeholders, by obtaining cooperation funds from local accommodation businesses and others.
- This trial bus service is named "YukiMo!" which combines "Yukiguni," meaning a snow country that is deeply snowy and beautiful, and "Mobility," representing the new movement new people and things. Explore the Echigo-Tsumari Art Field with YukiMo!
